

Landscape Industry Professionals Wanted!

Seeking landscape CREW LEADERS for two prestigious public park locations in San Francisco. You will be working for one of the leading landscape management companies in the San Francisco Bay Area.

The ideal candidate is an experienced green industry professional with a minimum of 2-3 years of experience working as a CREW LEADER in a commercial setting.

CREW LEADER is responsible for managing 2-5 employees while implementing a contractual scope of work and site specific horticultural practices.

You will work under the direction of the Account Manager and collaborate to schedule the required scope and practices.

Your responsibilities will include:

- Maintaining job records
- Preparing daily timecards, material use records and daily work schedules
- Daily interaction with park management and staff
- Your goal is to understand client's needs and expectations
- Leading landscape staff members in daily site operations
- Helping staff members to develop their skills in landscape operations and horticulture

An important part of your job will be to direct and implement a safe work environment.

Your conduct is professional at all times

You have these skills:

- Supervisory
- Irrigation management
- Water conservation
- Soil and fertilization
- Plants
- integrated Pest Management
- Landscape operations
- Effective communicator in English; knowledge of Spanish a plus!

Required: Valid California Driver's License and good driving record (will need to be rated insurable by company's insurance carrier).
