## SFPUC Rebates

### Commercial

No commercial rebates

**GARDENERS' GUILD**  
NATURE'S TRUSTED PARTNER SINCE 1972

## MMWD Rebates

### Residential

*Up to \$50 for each item on list below  
Up to \$250 for All Five*

Applies to single-family and duplex residential customers only.

- Pool covers
- Organic mulch
- Laundry-to-landscape system components:
- Rain barrels

### Turf conversion

*Receive up to \$2 per square foot – up to \$2,000. Per household*

Program funded by the State of California

### Commercial

### Turf conversion

*Up to \$2 per square foot*

Encourages commercial customers to replace water-intensive turf grass with water-efficient landscaping. Commercial, industrial and institutional sites, as well as multi-family residential sites in areas served by dedicated irrigation meters are eligible.

To qualify, a minimum of 1,000 square feet of turf must be removed.

## NMWD Rebates\*\*

### Residential

### Cash for Grass program

Remove automatically irrigated lawn.  
Replace with District approved, low-water use planted landscapes.

*Up to \$50 per 100 square feet of lawn area.  
The incentive is limited to \$400 for single family dwellings, \$100 for townhouses or condominiums, and \$50 for apartments.*

### Weather Based Irrigation Controller Rebate

Uses weather data and site information to automatically adjust watering schedules. Increases water use efficiency, reduces run-off, and improves the health of your landscape. It can save 30% or more on your landscape water use, and is less expensive than you might think.

*Rebate amount: \$100 or \$30 per active station up to \$1,200 per controller, whichever is greater. Rebate cannot exceed the purchase price of the Smart Controller.*

### Commercial

### Cash for Grass program\*

Remove automatically irrigated lawn.  
Replace with District approved, low-water use planted landscapes.
