## Growing fresh air daily

Since 1972 Gardeners' Guild has designed, installed, and maintained interior plants. Our clients are commercial buildings, hotels, hospitals, retail environments and campuses.

**A green approach - organic soap, recycled cleaning cloths, biological pest control methods and moss.**

**Scroll down to see our catalog of plants.** They are coded for light and their air cleaning capabilities

- Low light
- Medium Light
- High light
- Top air-cleaning plant
